Give the Gift  
of Freedom  
this Christmas

With *Gifts of Freedom*, you are not just giving a present — you are changing lives. Each gift supports critical needs in the fight to end human trafficking, slavery, and other forms of violence.

From funding to rescue operations to providing legal representation and aftercare for survivors, your gift empowers IJM to continue its mission of protecting people in poverty from violence.

**Together, we can give the ultimate gift — a life of freedom and dignity.**
